

## COMMUNITY LEAGUE NEWSLETTER

We are now digital! Keep up to date through the [Comunibee App](#) or [wedgewood.ca](http://wedgewood.ca)

These new times have given your community league an opportunity to reflect on the purpose of the newsletter and how we keep Wedgewood residents informed. Our move to digital news using the website, Facebook and the CommuniBee app allows us to share information updates more often. Directions to download our free App are on the website and it will be used to update community news, access services, report incidents, register for events, and obtain your community membership! Stay connected with us and share your suggestions! We are planning an online Community League AGM later this year to elect a new executive and provide an activity and financial update. In the meantime, we are always looking for volunteers to join us to help out year round or with specific events. Send us an email if you are interested.

**Community League Memberships now available for 2020/21.** Register your family through the CommuniBee App or complete the form on the website. Questions can be sent to [wedgewoodmembership@gmail.com](mailto:wedgewoodmembership@gmail.com)

The Community League is looking for a few volunteers to help us make Wedgewood a great place to live! [Email us today!](#)

The Walking Club will meet again this month. Visit the website for more details and future fitness opportunities.

Tennis court construction is in progress. We are excited to have new courts that will include a pickle ball option in Spring 2021.

Thank you to the dedicated volunteers for organizing our temporary community gardens. Residents will be harvesting their gardens soon. If you are interested in having a garden bed in the future or participating on the committee contact [wedgewoodgardening@gmail.com](mailto:wedgewoodgardening@gmail.com)
