

COMMUNITY LEAGUE BENEFITS

Your community league membership provides you:

- **Access to all facilities** associated with the Edmonton Federation of Community Leagues (EFCL).
- **Discounts to the City of Edmonton facilities** through the City of Edmonton Wellness Program once things start up again. For a complete list of facilities participating in the program, please visit https://www.edmonton.ca/activities_parks_recreation/discounted-wellness-programs.aspx
- **Ability to enrol your children in community league sports*** – soccer, hockey, baseball, etc.

**Wedgewood does not have any teams; membership in our community league allows you to register with other community leagues without paying their community league fees.*
