

## COMMUNITY LEAGUE NEWSLETTER

We are now digital! Keep up to date through the [Comunibee App](#) or [wedgewood.ca](http://wedgewood.ca)

**Two Pickleball courts will be part of the new tennis court redesign opening this Spring. Get your racquets ready!!**

As the temperatures warm up your Community League is excited about a few ways for residents to enjoy the outside. This includes new tennis/pickleball courts, an expanded community garden and Food Truck Friday events will be back this summer! After several years of planning the tennis court redesign construction is scheduled for completion and will be open for play. This includes a new option for pickleball players! Watch for more information in the coming months on court operations and opening dates. **Many thanks to Barb, Randall, and Kelly for all their work in managing the project for our community** and the many volunteers who worked casinos over the years to support the fundraising effort!

We will be expanding the temporary community gardens this year to allow more residents to sign up for a garden bed. Watch for updates and how to sign up on the [CommuniBee app](#). For more info email Dianne at: [wedgewoodgardening@gmail.com](mailto:wedgewoodgardening@gmail.com)

The Community League is looking for a few new members to join our executive. Please [email us](#) if you are interested in making our community a great place to live.

**Food Truck Fridays will be back this summer! Watch Facebook and the website for dates and times.**

**With Covid19 restrictions continuing the annual Garage Sale will not be held.** We look forward to hosting it again in the future. As restrictions are lifted your Community League executive will look at bringing back some of our favorite events. In the meantime, stay safe and we will provide more Community League updates through the [website](#), [Facebook](#) and the [app](#).
